

WATERSCOPE REGISTRATION

Send Janedoe@gmail.com

To meters@pineviewwater.com

Cc

Property Address

1234 w 5678 n

To begin registering your Waterscope account, send an email with your property address to meters@pineviewwater.com. You should receive a reply in 1-2 weeks. The reason it may take up to two weeks is due to high email volume, or we may need further data from the contractor who installed your meter before we can add you meter to the portal.

Meter Portal Draft saved at 10:20 AM

Thank you for contacting Pineview Water Systems to access the meter portal. Below is the link you will use, as well as the VN ID and Account Id.

Once you click on the link, click on Register. Type in your VN ID and Account ID. It will then ask if you want to add another meter. If you only have one meter installed on your property, select no. If you have additional meters on your property, please contact 801-622-4353 so we can provide you all VN ID's. To continue with registration, type in your email and click submit. You will receive an email from WaterScope to verify your email. Once verified, you will receive a second email with your username and a temporary password. We recommend you change the password once logged in.

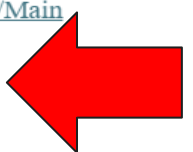

Once you are logged into your meter portal account, you will be able to view your usage and set up notifications.

At this time, you will still be billed through your property taxes, not by usage. If that changes in the future, you will be notified.

If you have any questions about your meter or the portal, you may email us at meters@pineviewwater.com or call 801-622-4353.

<https://waterscope.us/Home/Main>

VN ID: 123456
Account ID: A78910

Once you have gotten a reply, your VN ID and Account ID will be at the bottom of the email we reply with. You may need to scroll down to the bottom of the email to view these items. These are the two items you will need to register at waterscope.us for your Waterscope account.

Thank you.
